

Double Quartet

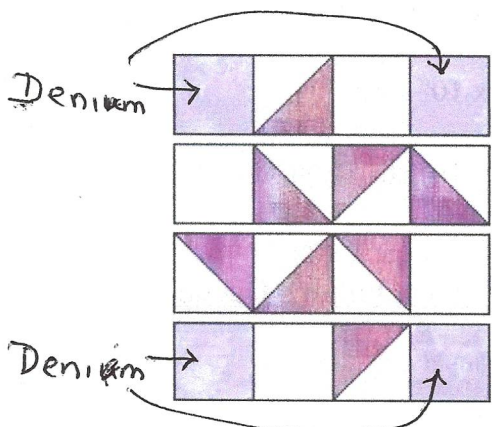

** Preparing the Pieces and Sewing the Block **

Start by cutting the Color 2 and Color 3 2-1/2" x 10" strips into four 2-1/2" squares of each...

Next speed piece the half squares, by stacking the Color 1 and Color 3 2-7/8" x 11-1/2" strips, right sides together and all edges aligned. On the back of the top strip, lightly mark the 2-7/8" square lines and mark the diagonals in the direction shown at left. Now sew a scant 1/4" above and below the marked diagonals, pivoting at the square lines. Now cut apart on the marked diagonals, and on the 2-7/8" square lines. This will give you eight half squares. Press seam allowances towards the darker fabric. Trim these back to measure 2-1/2" if needed...

Now lay out all units as shown at left. Sew four horizontal rows using the same scant 1/4" seams. Alternate pressing directions by row. Sew the rows together, again using a scant 1/4" seam, and that's all there is to this one! ...

** Preparing the Pieces and Sewing the Block **

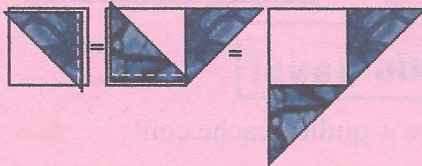

Start by cutting the Color 1 2-7/8" x 11-1/2" strip into four 2-7/8" squares. Stack the squares(with all edges aligned...I show mine staggered just so you can see what fabric units I am using) and cut once on the diagonal to get eight half square triangles...

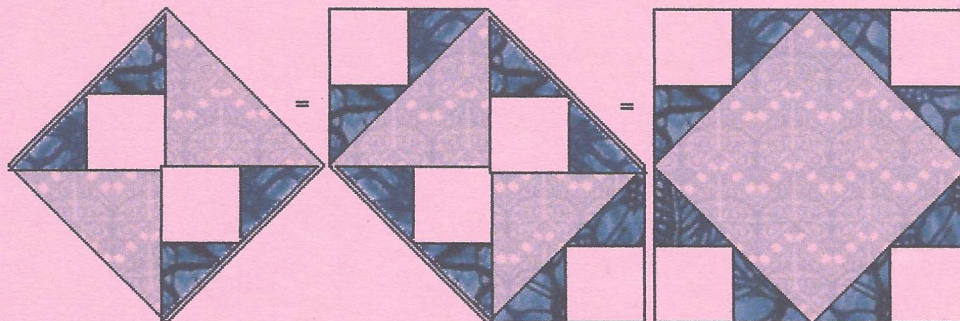

Next, using the template provided, cut one square from the Color 2 6-3/8" square of fabric...

Now cut the Color 3 2-1/2" x 10" strip into four 2-1/2" squares...

Using a scant 1/4" seam allowance, sew one Color 1 half square triangle right sides together to the right edge of a Color 3 square. Press the seam towards the triangle. Add another half square triangle to the bottom edge of the square, again pressing the seam towards the triangle. This should measure 4-1/2" along its right angle sides. Make four units like this...

Now Sew corner units to opposing sides of your center square, pressing seams towards the center. Add the last two corner units to the adjacent sides of the center square to finish up your Art Square!

Denim

Use the provided templates to cut three Triangle B's and one Triangle A from the **Color 1** 6" x 10" rectangle, remembering to pay attention to the grain lines...

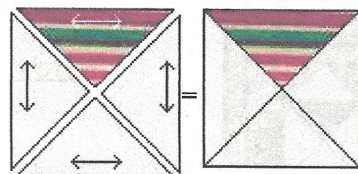

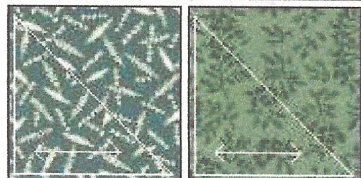

Next cut one Triangle B from the **Color 2** 5-1/2" x 3-1/2" rectangle...

Now cut one Triangle A from the **Color 3, 4 and 5** 4" squares

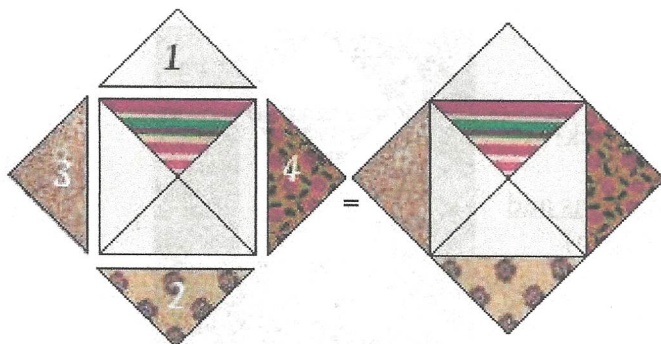

Then cut one Triangle C from the **Color 6, 7, 8 and 9** 5" squares...

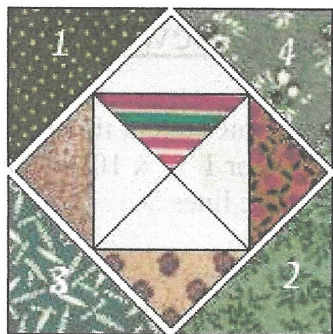

Using a 1/4" seam allowance now and throughout the block making, sew together the three **Color 1** and one **Color 2** Triangle B's to make the block's center...on to Page 2!

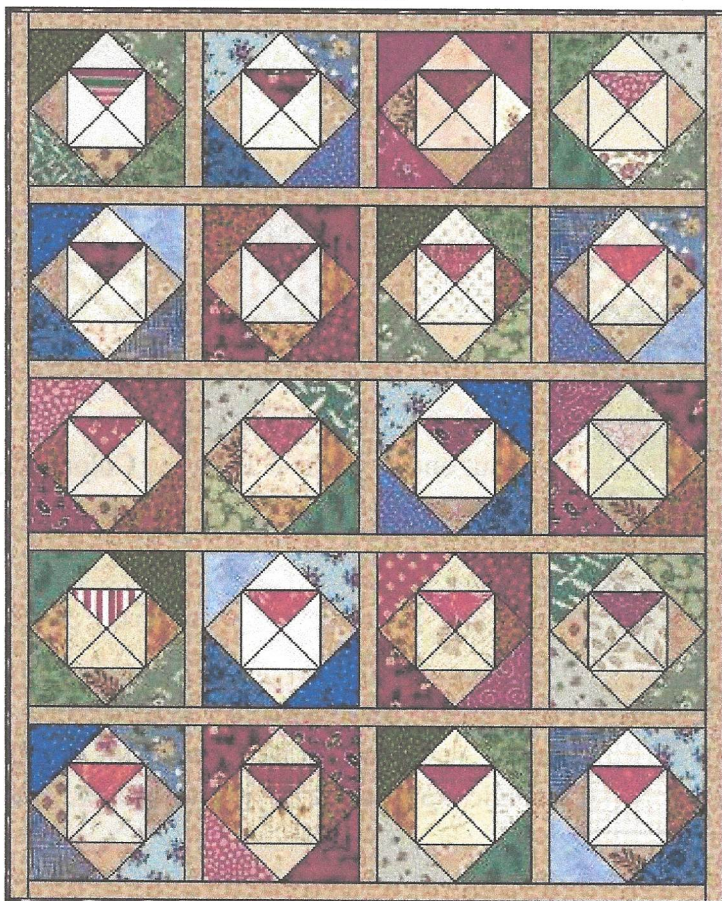

12 Triangles #2 - Page 2

Add the one Color 1, and one each of Colors 3, 4 and 5 Triangle A's to the center unit, in the order listed at left...

Lastly, add the Colors 6, 7, 8 and 9 Triangle C's in the order listed at left...and you are done!

Here are four blocks by five with simple sashings...just right for your Pen pal! :o)
